

CreditGate24 Choice - Execution Only: Investment preferences

CreditGate24's Choice-Mandate offers you an optimal investment strategy to diversify your portfolio. Please provide us with your investment preferences in the table below and send us this form duly signed to the address in the footer. Afterwards, we will provide you with concrete investment proposals based on your specifications, which you can accept or reject in each case. For each subscribed credit project you will receive an investor agreement via e-mail. This is an integral part of the subscribed loan projects.
