

CreditGate24 Premium – Execution only: Investment preferences

CreditGate24's Premium-Mandate offers you an optimal investment strategy to diversify your portfolio. Choose your investment preferences in the table below. Please sign this form legally and send it to the address in the footer. Below, we will provide you with concrete investment proposals based on your specifications, which you can accept or reject in each case. In addition, you will receive an investor agreement via eMessage for every loan project that has been signed. This is an integral part of the subscribed loan projects.
